

When Ah Was Single

When ah was single I used to comb ma hair
Noo ah'm mairried I havenae the time tae spare
It's a life, a life, a weary weary life
Yer better tae be single than tae be a mairried wife

When ah was single ah used a powder puff
Noo ah'm mairried ah canny afford the stuff

Wan says 'Mammy, help me intae ma pram'
Anither says 'Mammy, gie's a piece an jam'

Wan says 'Mammy, help me intae ma bed'
Anither says 'Mammy, scratch ma wudden leg'
